WORK EXPERIENCE

Full Stack Web Developer

Self-employed - Spalding
January 2020 to Present

I am an Experienced Full Stack Web Developer. Specialized in Front End and Back End frameworks, feel confident using tools like HTML, CSS, Python, JavaScript, SQL, Django, Bootstrap. I am also experienced to work in a team. Recently I was graduated from Code Institue. I choose this profession or it could be called a lifestyle because I love to create, and in this deep ocean of improving IT researches, it never ends, there is always to learn something for the rest of the life. I am fascinated by how the technologies have developed over a short time, and the way how the websites are presented in these days. I strive for quality, not for quantity and the best experience towards my clients and employers.

Junior Supervisor

Moulton Bulb LTD Goldwood - Spalding
February 2019 to Present

I am proud of my promotion in Moulton Bulb Co Ltd. This position brought more responsibility upon my shoulders, what makes more sense in my life. The main duties are :
Organising the jobs.
Make sure the paperwork is filled up correctly and etc.
Replace the Production Supervisor and the Production Manager at the weekends.

In general Moulton Bulb Co Ltd Goldwood department is nice place to work, friendly colleagues and my bosses.

Machine Operator

Moulton Bulbs Ltd Goldwood - Spalding
February 2018 to February 2019

I was responsible for packing products in High Care, running a few different machines, including dicing and slicing machines. I have had great experience in this company being as a Machine Operator.

Takeaway Delivery Driver

Istanbul - Wisbech

April 2017 to February 2018

This experience was new to me, I found very easy job once I learnt all addresses. Being kebabs shop full-time delivery driver is good job, except that I had to work night.

Machine operator

Css - Spalding

December 2016 to April 2017

I worked for CSS Recruitment Ltd Agency in Karsten UK factory as flow wrap machinist. Very proud of the experience that I gained there.

Plants care

Plants care in plants nursery, Mentha Nurseries - Wisbech

March 2012 to September 2016

Joined Mentha Nurseries Ltd in 2012 through the agency, worked in greenhouses, field, I was born in farmer's family, so the hard job never put me off. I enjoyed to work for this company, in the begging it was season jobs, but after two years the business owner offered to me to join the company directly, and help him out in the office and with general challenges in the business.

Achievements and responsibilities:

- Redesigned one machine to improve the quality of the plants, and speed up the process.
- Made many suggestions to business owner, and the most of them cut down the costs. Savings and the speed improved remarkably, and it works until know.
- Once I have learnt a lot about plants, became responsible for the quality of the plants.
- Worked with websites (Magento platform). Looked after websites, security, SEO. this was my hobby in one stage, I had an opportunity to expanded my knowledge in this company.
- Learnt planning, and organising.
